A Message from Mr. Johnson

Dear Parents/Carers,

The last few weeks have been filled with festive celebrations and fun in school. It has been lovely to see all the children enjoying this special season together, and we would like to thank you all for supporting the services, assemblies and other activities.

Thank you also for supporting us during our short period of closure during the snow and ice. It is always a tough decision to make, but we are confident it was the correct one to ensure everyone was safe during the inclement weather.

On behalf of everyone at the school, I would like to wish you all a very Merry Christmas and prosperous new year. Enjoy the festivities and we will look forward to seeing you all in the new year.

Mr. Johnson

Executive Headteacher of Culworth and Boddington Primary Academies

OUR LATEST NEWS

Newsletter 3

As we have only recently forwarded a Newsletter, this one contains just some snippets of our recent whole school news. We will share more class news with you in our next full newsletter in the New Year.

The snow got the better of us this term! Unfortunately we were forced to close to ensure the safety of our school community. As you can see the site was still not accessible on the second day of closure but thanks to some ex-pupils, families from school and some staff members who made it in, a safer access path was created and we were able to come in on the third day despite the icy conditions. Many thanks to all who supported us to enable this to happen.

Didn't the Wrens and Kingfishers do well, telling the story of the Nativity for us all! It was really good to see so many parents and families there to share the story with us and thank you to the Golden Eagles, who supported with making the singing the best it could be. See overleaf for pictures.

Our children made their Christingles at school, learning all about the meaning of each part of the Christingle together. The Christingle Service during the afternoon shared it's time with the Nativity and ensuring this was also really well attended and it was very special to see so many families enjoying this combined celebration. It was lovely to see the Pre School children joining in with us all.

Snow White

Children were treated to an outstanding performance last on Monday when they visited Culworth School for their annual staff pantomime. It's fair to say the children loved every minute of it and it is always good to see them engaging with children from the other school, forging new friendships and working on their social and life skills, whilst having fun times and such a giggle!

Many thanks to all the staff who took the extra time out of their already very busy schedule to rehearse and put on such a super performance. We can't wait of the next one!

More pictures follow overleaf.
