Core Learning	Reading / Story Time	English	Maths / Mental Maths
Further Learning	History		

Your Stone Age inspired
poems...

I was born in the gaming age

When I was at school miss would say "get out you're controllers,"

We didn't have keyboards so we used controllers.

I went home and ^{brought} my controller

And then I went to bed!

Then when I woke up the gaming age was over and it was the football age.

Jake

I grew up in the Meme Age.

I grew up in the Meme Age.

When I go to school, Miss asks 'Pull out your iPads and make a meme.'

When I go home I ask Mum "What's on the telly today?" and she says "Doge meme I think." So we sit there for hours watching doge memes.

Then we go to bed and Mum sings me the coffin dance lullaby.

One day I woke up and they said, "It's a new age." What came after the meme age again?

It was the Roblox Age.

No, no it was the VR Age.

No, wait a second, it was the End of the World Age.

Reuben G

I was born in the lockdown age,
we went on zoom ~~in~~ which made us rage
Mrs Thom would say I ~~am~~ can't hear
you.

I was muted it was true!

~~We~~ We didn't have friends to play.

~~so~~ so we played with our siblings all day.

I scooted ~~up~~ up and down the street,

hoping for someone to meet.

~~soon~~ soon lockdown will be done ready for us to ~~be~~

have some fun.

Stanley

I was born in the VR Age

I grew up in the VR Age.

When I go to school Miss would say 'Pull out your VR headsets and follow kids on Roblox'

When I go home I ask Mum 'What's on TV now?' Mum says 'I think it's Sketch' so we sit there for ages watching Sketch making memes on Roblox.

At bedtime I slept with my VR on.

When I woke up they all said 'It's a New Age'. They said 'It's the Meme Age, wait no it's the Minecraft Age. Wait no, it's the Future Age. That's it.'

Eli

Art age

I was born in the ~~Art Age~~ Art Age.

When I was at school Miss would say "Get out your paint brushes and make a masterpiece".

We didn't have grey paint so we mixed white and black.

Then I went home to finish a painting I was working on.

And then I had my dinner on my bright homemade clay plates.

Then ~~they~~ the Age Art Age was over and it was tick age well atleast ~~my~~ I think it is.

Poppy

Dexter

I was Born in the pasta age.

When I went to school miss would say get your spagetti out and start writing. We didn't have TV we had Linguine. Then I went Home in ~~my~~^{my} car ^hwhich had Rotelli. My dad had a date so he wore his Farfalle bow tie to impress her. She wore Gemelli pasta earrings.

wheels

I was born in the Gaming Age. When I was at school, Miss would say "get your headsets and turn your laptops on."

We didn't have pens and paper so we did all of our work on electronics, which was very cool.

Then I went home and played on my xbox with my friends. We liked playing roblox and minecraft.

And then I sometimes watched scary films with my family.

Then the ~~the~~ Gaming Age was over and it was the ~~the~~ Hi-tech Age.

Logan

Ava

I ~~was~~ born in the gaming age!
when I was at school miss would say get
get out stay your electronics, we didn't
have books or pencils as everything was
on-line and all of our lessons were
done virtually. then i went home and logged
on my computer and played Roblox with
my friends.
Then the gaming age was over now it
was the minecraft age.

Oscar

Mythical age

I was born in the mythical age.

I went to school. miss pointed at the picture of Medusa with her Trident.

She told the class to get their quills and scrolls out and start drawing the infamous creature.

We didn't have a car to go home so we jumped on our Phoenix and flew.

When I went home mum was practising a lasso trick in front of the portal television.

Before bed I cuddled the cerberus for warmth.

Then I went to my cracking skin bed. There was a magic goblet filled with water.

Adam's poem: Ice Cream Age

Jake and

Poppy

THE DRAGON AGE by Bella G

I was born in the dragon age .
When I was at dragon school
We sat on massive gems
and we didn't have paper or pens
So Miss Knucker used to say, 'Get out your amphithere feather quills'
And then we wrote on silver paper and dragon blood what's called dragonology
then I went home
And we didn't have cars in the dragon age
We just have dragons!
Mum used to let us go dragon training
and we'd say 'what trick shall we do tonight, mum?'
SHe'd say 'A dragon one'
And then we'd chant
'**Fanged teeth**
Arrowhead tail
Obey my words
Give me a golden scale!'
We did spells for hours.
Then we went to bed
Which was a nest
We just lay on dragon dust and hay.
Then we went to bed.
Then the dragon age came to an end!
Or did it...

Bella G's Spells

My egg

Hocus Pocus
Arrow head tail
Pink dragon dust
and a golden scale

Hocus pocus
Alakazam
Make me a dragon egg
As quick as you can!

Dragon eyes

Dragon green,
Dragon might,
Give me the gift of
Dragon sight!

Treasure

Fanged teeth
Arrow head tail
Obey my words
Give me a golden scale!

poem

2. Learn, practise
and perfect

3. Perform

Suggested poems

[Please Mrs Butler](#) -

words [here](#)

[Strict](#) -

words [here](#)

Or your favourite
Michael Rosen's
from Monday

Consider:

- Will you dress up?
- Will you work with a sibling?
- How will you use facial expressions, body language and actions to add even more to the performance?
- Is there a certain place where this poem could be performed?

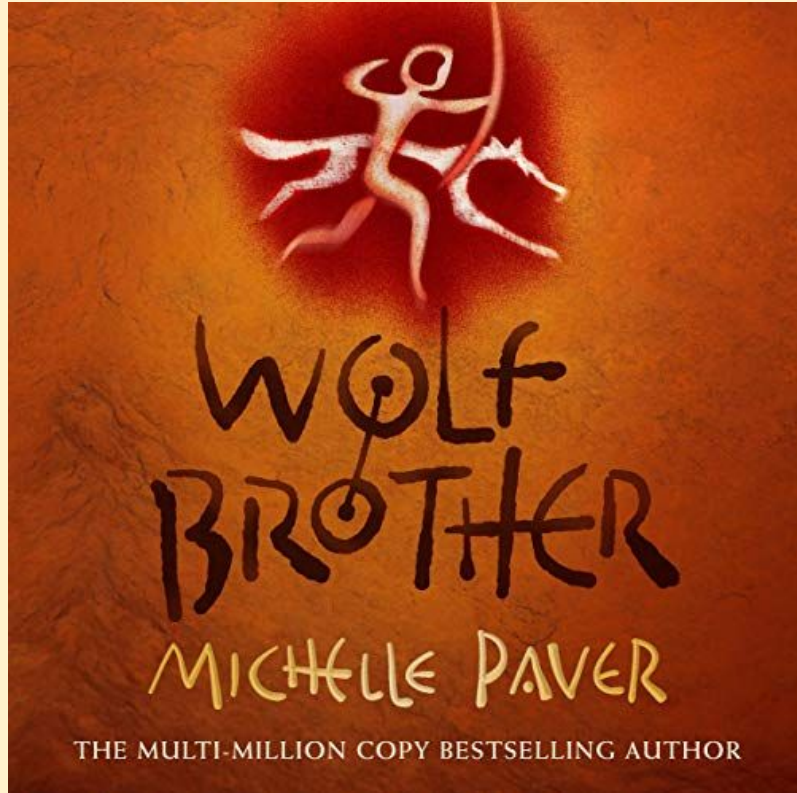

Why not send the recording to a family member to make them smile or perform live on a video call or with your permission, we can include it on our website

History

How did farming change how humans lived?

This is NOT the next lesson in the sequence, so please skip the quiz.

Thursday Storytime

Can Torak trust Renn?

Will their pursuers catch up
with them?

Listen to find
out...

**Listen out for the different words in
Wolf Speak...can you work out what
they all mean?**

gouge

verb

Make a hole or a dent

envious

adjective

To feel envy or be jealous of

vent

verb

To let out

Submission

Please email your completed activities to our class email address goldeneagles@cb-cepa.org by 3.30 pm, then I will aim to reply and feedback to your work by the next working day.

You can take write answers on plain paper, take photos of your learning or write on a WORD document and email that to me.
