Preschool

I would not expect preschool to be able to access the same amount of online learning as the Reception children, however please take part as you see fit for your child. The weekly tasks should be an opportunity for all Wren children to get involved.

Literacy and Maths

I would strongly recommend Alphablocks and Numberblocks daily (we will also be using these as a learning tool in Reception).

Please note...

I look Forward to seeing you all in the morning at 11 Via Zoom. We have also set up a Wren Class email should you need urgent, direct contact and feel Tapestry is not appropriate. Wrenclass@cb-cepa.org.

However, I must stress that Tapestry will be the learning platform we will be using in Wren Class, so please use Tapestry wherever possible.
